Fedecredito's UBOs are about 1 million low-to-mid income Salvadorans and by providing debt we support further increase of Fedecredito's equity value which is ultimately owned by this 1/6 of the population in El Salvador. We support financial inclusion in El Salvador, by supporting Fedecredito who leads and manages the growth of the network Fedecredito (Sistema Fedecredito) which has 625+ service points throughout El Salvador being most outreaching and largest banking network in the country. There is no place in El Salvador where within a 20 kilometer range you are not able to find a service point of Sistema Fedecredito. We have brought new investors to Fedecredito: DEG, Proparco, Ecobusiness Fund, Triodos and Actiam.
