Project Description

According to FMO, this project aims to support a Certificate Program for Bankers in collaboration with leading academic experts and the Armenian Central Bank. The cooperation has been suggested to us by the advisory department of the Dutch Central Bank. Also, this project supports opportunities for both FMO’s clients and central bankers in Armenia and Georgia to successfully equip themselves with up-to-date knowledge and skills relevant for the banking sector.

Investment Description

- Netherlands Development Finance Company (FMO)

Private Actors Description

As stated by the FMO, Lark Advisory Ltd is an organization made up of full professors in economics, finance and law from Harvard, EDHEC Business School, and Tilburg University with demonstrated teaching experience in banking and finance, monetary policy, corporate governance and financial markets regulation.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
