Project Description

The impact objective of the project is to contribute to the increase in competitiveness, economic growth and the creation of quality employment in the provinces of Salta and Tucumán through activities that aim the development of an entrepreneurship and innovation ecosystem. To this effect, the purpose of the project is to promote the development of an entrepreneurship and innovation ecosystem in those provinces by applying a comprehensive approach that includes awareness, training and empowerment activities as well as working with all the stakeholders in the ecosystem.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

ACCOUNTABILITY MECHANISM OF IDB/ IIC

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
