Project Description

According to IIC website, the project will support ION's first long-term corporate bond issuance of Mex\$200 million in Mexico. This issuance is part of ION's Mex\$500 million corporate bond issuance program to be registered in the Mexican Stock Exchange. The project will support ION's strategy to: (i) expand its SME lending portfolio; and (ii) extend its funding tenors and diversify funding sources by tapping capital markets and reaching a new base of investors. IIC's participation will strengthen ION's business plan of increasing its SME lending portfolio from Mex\$30 million in 2016 to Mex\$285 million in 2021.

ACCOUNTABILITY MECHANISM OF IIC

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
